SOURS

GRAPE FLOW 159 KR

PINK PEPPER GIN, LYCHEE LIQUEUR, GRAPE FRUIT SHRUB, HONEY, LIME

As a wise man once said; "A grapefruit is only a lemon that saw an opportunity and took advantage of it". We have taken this saying one step further by reflecting the spring brightness into a cocktail with a smooth feeling around it. I am a grateful grapefruit.

- This cocktail is sour and fresh.

CUCKOURI 144 KR

COCKSPUR AGED RUM, MAURIN CHERRY VERMOUTH, RINQUINQUIN PEACH APERTIF, LEMON, ANGOSTURA BITTERS

This is it, it's genius; everything is changing with season. Progressing is the true human form, shape is irrelevant hence ideal is absolute. Rum is good for you!

-This cocktail is sour fruity and slightly peppery notes.

ABSINTINI 144 KR

ABSINTHE, UMESHU, VELVET FALERNUM, LIME, MINT BITTER

The Absintini has been around for a couple of years now and have grown into a real Cuckoo's Nest classic. Impossible to take of the menu. Herbal absinthe is diluted together with a fruity plum wine, the sweet and tropical notes of Falernum and last but not least lime with a few drops och mint bitter.

Works well as a pre-dinner cocktail but it pretty much does the job at whichever point of the day you'd please.

-This cocktail is fruity and sour with a herbal tingle.

VACACIONES EN MEXICO 144 KR

DON JULIO BLANCO, FALERNUM, VEDRENNE MELON VERT, LIME, MINT & CARDAMOM BITTERS

What would a cocktail menu be without a cocktail grounded in the agave plant? This time we went for a very fresh mix between blanco tequila, melon, lime and mint! Give it a try!

-This cocktail is sour with a tropical palate.

THREE WINES AND A GINE 144 KR

TANQUEREY GIN, UMESHU, DEL PROFESORE, LEMON, SUGAR, GRAPE BITTER, RED WINE

Wordplay! It's actually three wines and a gin. Such creativity... We know right! This fruity and herbal sour drink gets its characteristic flavor from four main ingredients. A London dry gin that acts as the herbal master of the drink with its juniper and botanicals. The umeshu - a Japanese plum wine with its dry and plummy (yes that's a word) tones. A red vermouth that brings the sweetness and depth. To top it off, a pleasant zinfandel that floats just beneath the foam. Hence three wines and a gin. Ready to enjoy it at any time of the day, including right now!

- This cocktail is fruity and herbal with a twist.

GIN & TONICS

SKREA BACKE DRY GIN 164 KR

Skrea Backe dry gin is made a few miles south of Gothenburg in the beautiful coastal town of Falkenberg. This gin has got a floral palette containing sea buckthorn and rose hip which really takes you on a journey along the Swedish west coast during summertime.

BRYGGA GRAN 164 KR

A local gin from Gothenburg, made by Beersmith's in Västra Frölunda. Distilled with spruce shoots and spiced up with japanese citrusy sansho pepper. Altogether a very fresh gin with a clear taste of spruce shoots and hints of spice and herbs.

PINK PEPPER 164 KR

Distilled in Cognac in a basement in the middle of town. This one of a kind gin is packed with pink peppercorns and when I say packed it is in every sense of the word. Together with cinnamon, cardamom, a dash of sweet honey and a few other ingredients, two of them secret, it's a truly magnificent gin. It is just as good on its own as it is in a gin and tonic.

WET CITY AMICITIA 164 KR

Another of our lovely local gins. This one made by our friends from Sandarna who are also behind the brewery Beerblotek. Described by themselves as a vibrant gin to enjoy with friends. With fruity and slightly tropical tones of peach, apples and sweet citrus we couldn't agree more.

MERMAID GIN 164 KR

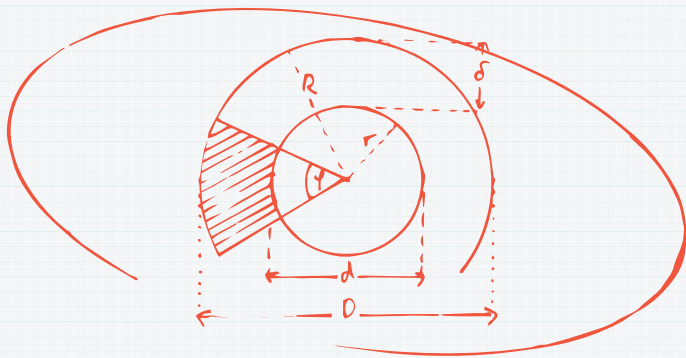

Hand-crafted on the Isle of Wight using ten ethically sourced botanicals, Mermaid Gin delivers a smooth yet complex blend of fresh organic lemon zest and peppery grains of paradise with a hint of sea air from wild-foraged, fragrant rock samphire. A refreshing and invigorating serve, for the free-spirited.

GIN MARE 164 KR

Gin Mare is a modern and innovative gin that takes inspiration from herbs and spices along the regional coasts of the mediterranean. The manufacturing process of the gin is small-scale a craftsmanship of its own with the gin being made in the remains of an old chapel.

GIN & TONICS

WE HAVE A GIN LIST THAT IS IN A STATE OF CONSTANT FREE FALL, MUCH LIKE THE INTERNATIONAL SPACE STATION SOARING ABOVE OUR HEADS AT APPROXIMATELY 27600 KM/H. THIS IS JUST A SAMPLE, ENJOY THE RIDE!

HAYMAN'S OLD TOM 152 KR

English gin in a sweeter style than London Dry. Most Old Tom gins add sugar to enrich them but Haymans uses botanicals such as liquorice, cinnamon and tropical fruits.

HERNÖ JUNIPER CASK 180 KR

Swedish small batch gin, classic in some ways but it will not allow you to label it as such. Hernö is well balanced and rich with soft notes such as vanilla and coriander seeds. It brings something uniquely swedish to the table, the traditional lingon berry. Aged on casks made from juniper wood which makes this gin something truly unique.

STOCKHOLMS BRÄNNERI PINK GIN 164 KR

This gin comes from, you guessed it, Stockholm! A vibrant and fruity pink gin made for summertime. Rhubarb, rose petals together with lots of citrus and lingonberries! Perfect for sipping in the sun, or sipping while dreaming of the sun...

OLD ENGLISH 164 KR

Old English is a gin which aims to mimic what gin tasted like in it's hayday, during the gin craze of 1750 in London. The recipe dates from 1783 and is bottled in a recycled champagne bottle, just like the old days.

TANQUERAY RANGPUR 152 KR

Rangpur is a lime from Asia, mostly grown in India. It is an amazing little citrus fruit. Packed with flavour and lots of zing! Check it out!

HIGHBALL DRINKS

OLIVER COLLINS 144 KR

GIN MARE, NOILLY PRAT, LEMON, SUGAR, ROSEMARY

Did you know that olive branches are used as a symbol of peace? Isn't that what we all want? I can't make much for world peace but I can make this cocktail and surely that won't start a war. Does that make me a protector of the peace? Anyhow, here's a Tom Collins but in a new take. Give it a try!

- This cocktail sweet, sour and herbal.

PEACH & LOVE 144 KR

G'VINE WILD PEACH, PEACH APERTIF, LEMON, HABANERO, SODA

Peach and habanero, a love story just like Romeo and Juliet. Lovely and sweet with the right amount of fiery spicyness. Try this and you might fall in love, who knows...?

- This cocktail is sweet, refreshing and spicy.

VANILLA SAFFER 144 KR

HIBISCUS GALLIANO, APEROL, GRÜNER VELTLINER, LEMON, SUGAR, EARL GREY FOAM

Who doesn't love a glass of ice tea? Well we took it a step further and created a cocktail that fits all the tea lovers and for those who just likes to drink something sweet, cold, fruity and foamy. A dash of vanilla and hibiscus, some lemon and sugar, with a nice Earl Grey foam finish.

- This cocktail is fresh & fruity.

BOOZY

OH, FOR PEACH'S SAKE 155 KR

PINK PEPPER GIN, AMUERTE GIN, CAMPARI, PEACH SAKE, WHITE VERMOUTH

"Just because you are happy it does not mean that the day is perfect but that you have managed to look beyond its imperfections." Bob Marley.

Whether or not this may be the perfect Boozy-type of drink I do not concern myself with. That's for others to decide. I decided not to worry, I'll be happy instead.

- This cocktail is stiff with fruity and peppery notes with a slight bitterness.

FÖR SVERIGE - I TIDEN 155 KR

HIGH COAST ÄLV WHISKY, HERNÖ SLOE GIN, KRONAN PUNSCH, SCRAPPYS ORLEANS BITTER

A cocktail with all swedish spirits. What else to name it after than the motto of our Swedish king, Kung Carl XVI Gustaf. For Sweden - with the Times.

- This cocktail is stiff, boozy and savoury.

A ROOM WITH A VIEW 155 KR

RHUM, COGNAC, VERMOUTH, PEYCHAD'S BITTER, ANGUSTURA BITTER, ACID SOLUTION, SUGAR

As a writer once wrote - "Love felt and returned, love which our bodies exact and our hearts have transfigured, love which is the most real thing that we shall ever meet, reappeared now as the world's enemy, and she must stifle it". We tried to represent all those feelings into this cocktail to carry on and spread love in all its forms. We give you a reincarnation of "A room with a view".

- This cocktail is stiff with sweet tones.
